PRESIDENT O. MINGUS cuts the ribbon that officially opened Lloyd G. Smith Boulevard in its entirety. Previously only that section along Palm Beach had been opened. As of May 1, dedication day, the new palm-lined highway was completed from Oranjestad to Malmok. Miss Lucia Yarzagaray presented the scissors.

PRESIDENTE O. MINGUS ta corta e cinta cu oficialmente a habri Lloyd G. Smith Boulevard den su totalidad. Anteriormente solamente e seccion a lo largo di Palm Beach tabata habri. Desde Mei 1, e dia di dedicacion, e camina nobo cu palmas na ambos lado a keda completo for di Oranjestad te Malmok. Srta. Lucia Yarzagaray presenta e sker.

MINGUS OPENS BOULEVARD

Lloyd G. Smith Boulevard, in its entirety, was opened to the public May 1. In short but impressive ceremonies, Lago President O. Mingus cut the ribbon that spanned the new thoroughfare. The new highway connects the Oranjestad Harbor area with Malmok, and makes one continuous stretch of the Lloyd G. Smith Boulevard with the old and the new joined. Miss Lucia Yarzagaray presented the scissors with which Mr. Mingus cut the ribbon.

The new boulevard that skirts the Eagle concession and runs parallel to

the coast line to Malmok was over two years in construction. It cost in the neighborhood of Fls. 1,400,000, and its 10 kilometer and 300 meter, palm-lined distance required 78,100 square meters of surface. Over 100,000 cubic meters of earth were moved in constructing the highway. The boulevard has one viaduct, that which spans some pipe lines and a lesser road in Eagle concession.

Among others attending the opening ceremonies were Minister of Finance J. Yrausquin and Deputy O. Henriquez.
